

# RONIN®

Datasheet  
Motores Trifásicos y Monofásicos

CORESA®

Modelo

RM-M1-4A-00033-711-02

Monofásico  
Aluminio

1500RPM  
4P

HP  
0,33

|              |         |                       |
|--------------|---------|-----------------------|
| Info General | Skü     | RM-M1-4A-00033-711-02 |
|              | EAN13   | 7428325601475         |
|              | Tipo    | Monofásico            |
|              | Carcaza | 711                   |
|              | Polos   | 4                     |

|                |                                  |         |
|----------------|----------------------------------|---------|
| Info Eléctrica | RPM                              | 1500    |
|                | Eficiencia (S)                   | 1       |
|                | Tensión (V)                      | 220V    |
|                | Hz                               | 50Hz    |
|                | Factor de potencia (cos $\phi$ ) | 0,92    |
|                | Potencia HP                      | 0,33    |
|                | Potencia kW                      | 0,25    |
|                | EFF $\eta$ = (%)                 | 62,0    |
|                | Corriente (A)                    | 2,0     |
|                | dB(A)                            | 67      |
|                | Capacitor ( $\mu$ F) monofasicos | 75/250V |
|                | Aislamiento ISOL                 | 15/450  |

|             |                  |             |
|-------------|------------------|-------------|
| Info Física | Dimensiones [mm] | 280*210*220 |
|             | Peso [kg]        | -           |
|             | Material         | Aluminio    |

|           |                      |               |
|-----------|----------------------|---------------|
| Logística | material of unit box | carton        |
|           | size of unitbox      | 1150*820*1140 |
|           | size of wooden case  | 1150*820*1140 |

|                 |               |                                                                      |
|-----------------|---------------|----------------------------------------------------------------------|
| Certificaciones | Protección IP | IP55                                                                 |
